**Letter from the Dean**

Greetings on a BEAUTIFUL May Saturday! Partly cloudy with a cool breeze – who could ask for anything better?

Thanks to John Sullivan for leading us in the Liturgy workshop on the 7<sup>th</sup>. He didn't tell us there would be a test! John shared some great advice for us "non-liturgical types" to help prepare in case someone asks us to fill in, even in case of emergency. We had 11 people attending – I'll be saving those hand outs!

Voting for chapter officers is underway – the ballots are due June 4<sup>th</sup> – I can't believe that I have served as Dean of the CHVAGO for 4 years already! Time has surely moved quickly. A note to those who have agreed to be on the ballot and serve if elected: Thank you so much for being able and willing to juggle your schedules to allow you to serve. In advance, thank you for making sacrifices in your lives to serve and lead the chapter for the next year or two (or more!). My reason for stepping off of the board completely is that I am preparing for the completion of my Master's degree. I am preparing to do a solo handbell recital in April, and then after exams I will

graduate in May, 2005. It will have taken me five years to complete the program, but it has been well worth it – even as a Presbyterian studying at a Lutheran school.

We will be recognizing our 2004-2005 officers and board members at the Members' Recital, which will take place at the Reformed Church of Poughkeepsie on June 13<sup>th</sup> at 4:00 PM. There may still be room on the program for you procrastinators out there – if you are interested in playing, call or e-mail Jack Davis right away!! More details about the recital can be found below. (A reminder to the Convention Steering Committee – the official photograph of the committee for inclusion in the Convention Program Booklet will be taken at the recital.)

Speaking of the Convention, preparations are in full swing – it's just a year away – so be sure to reserve your place in chapter history by volunteering today. No gift is too small, whether your gift is money or time. What a wonderful statement it would be if we had some level of participation by 100% of the chapter membership!

I am happy to report that for the first time in about 20 years, the USMA Band has won the Superintendent's Trophy for overall sports competition among the military units at West Point. Sports included were softball, basketball, bowling, volleyball, tennis and golf. As it has been said before, NOBODY beats the band in leisure time activities! It's so much fun being one of the "old people" beating the 18- to 24-year-olds in sports.

I expect this to be the last time that I author the CHVAGO Dean's Letter. It has been an honor to serve the membership and a privilege to serve with the officers and board members over the last five years.

In closing, remember that, as we heard at the liturgy workshop, there are two Sundays during the church year when rose vestments are used. On these Sundays it is essential to have a good organist to lead the music. The rest of the year you can get along with manuals only, but on **rose** Sundays, you must use PETALS!!!!

## Membership News

- Don Filkins sent us the following update:  
Many thanks to all the members of the chapter who have called, sent cards, or in some way expressed an interest in my medical adventures. I survived the surgery and for the last six weeks have been mending and frustrating everyone around me as I make feeble attempts to regain my wits, my physical capabilities, and my equilibrium. I expect that most restrictions on activity will be lifted within a week or so and I will once more be permitted to enter the fray.  
Don
- Pat Maimone has a new e-mail address: [patmai@gmail.com](mailto:patmai@gmail.com). She has also been newly appointed as Organist at St. Mary's [Episcopal] Church in the Highlands, Cold Spring, NY, and Adjunct Professor of Organ, SUNY New Paltz. Congratulations, Pat!

- There was an error in the biographical sketch of Nancy Harle which was distributed with the ballot. The paragraph should read:  
**Nancy Harle** – Nancy has studied and performed extensively as a pianist, organist, and singer. For 25 years she has taught music and directed choruses in public and parochial schools, as well as in her private studio. She is also organist and cantor at St. Augustine RC Church, New City.  
 We apologize for any misunderstanding resulting from the error.
- Jennifer Geibel has a new address:

### **Specifications for the Schantz Organ, Opus 2228, 2003**

The Reformed Church, Poughkeepsie

The organ has a full range of couplers, including 16' and 4' couplers on the Great, Swell, and Choir. The divisions also couple to one another at 16', 8', and 4' pitches, and there are unison offs on all three manuals.

There are 12 generals, controlled by both manual and pedal pistons, and each division has 8 pistons. The Swell and Choir are in separate chambers, with appropriate control. The Great is unenclosed, as are some of the Pedal stops. There are 99 levels of memory, so players will be assigned their own memory level(s), which can remain until after they have performed.

There is a balanced crescendo pedal, and there are two full organ combinations. There are light signals on the console for all of the above, including indicator lights for the swell shades and crescendo pedals.

The lights on the console go on when the blower is turned on, and should not be operated separately at the console. There are additional lights behind your back, operated by a switch on the wall – to your left.

The bench is adjustable by the crank on the left hand side. It is best not to crank it while seated.

## Pipe Organ Encounter – Progress Report

*We recently received this communication from Naomi Rowley, Director, Committee on the New Organist, AGO:*

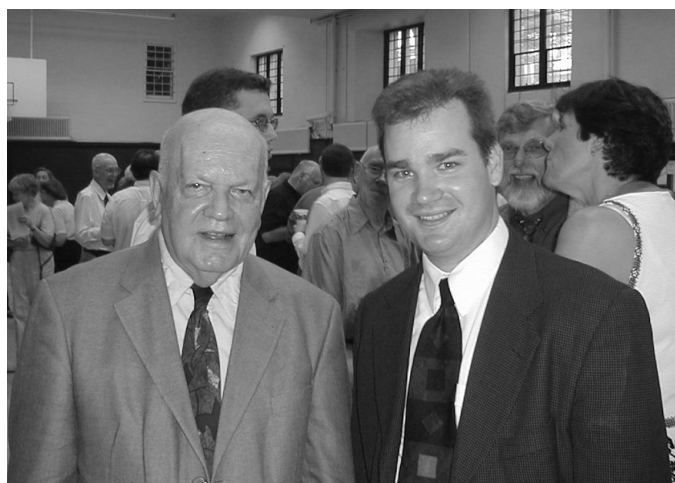

Pipe Organ Encounters are proving to be very popular this summer! Already five of the six original POE sites have reached their maximum capacity and have closed enrollment. (These include Atlanta (33), Central Texas 1<sup>st</sup> (20), Fox Valley Suburban Chicago (36), Duquesne (40), and Tacoma (24). Of the original sites, the one remaining location still accepting registrations is Worcester, MA. (July 19-23). Please forward all inquiries immediately to Director Patricia Snyder. [psnyder@pakachoag.org](mailto:psnyder@pakachoag.org) Their registrations figures are soaring! Those who delay run the risk of being disappointed!

POE+: Please remember the AGO also sponsors POE+s or Pipe Organ Encounters for Adults. This year's POE+ will be held in Detroit from July 20-25. The Director is Tom Trenney [ttrenney@comcast.net](mailto:ttrenney@comcast.net) The POE+ is a summer program filled with practical information and instruction for adult pianists and other musicians interested in improving their service playing skills. Participants will be introduced to basic organ skills through private instruction and classes. The week-long experience will lead to greater confidence and competence at the organ. (Age span is 19 and upwards.) THE DETROIT POE+ STILL HAS OPENINGS; PLEASE FORWARD REGISTRATIONS IMMEDIATELY.

### Recital Review

*by Susan LaGrande*

A gratifying number of chapter members were present on May 23 when Ken Cowan played the Organ Dedicatory Recital at The Reformed Church in Poughkeepsie. This personable young organist played a program which impressively displayed not only his skill as a player, but also

**Jack Davis and Ken Cowan**

the variety of sounds and styles offered by the new Schantz organ. The pieces were:

- Franck: *Chorale in E major*;
- Vierne: *Scherzo*, from Symphony No. 6, Op. 59, and *Clair de Lune*, from Pieces de *Fantasie*, Op. 53, No. 5;
- Bach (arr. Reger): *Chromatic Fantasy and Fugue*, BWV 903;
- Karg-Elert: *Valse Mignonne*, Op. 142, No. 2;
- Reubke: *Sonata on the Ninety-Fourth Psalm*
- Encore: piano etude by Moszkowski

The audience's experience of the recital was greatly enhanced by the use of a large screen at the front of the church, on

which was projected real-time video imaging of the otherwise hidden console. This allowed the audience to see as well as hear Mr. Cowan's seamless registration changes. In addition, I found that my perception of the musical structure of each piece was reinforced by seeing the patterns of Mr. Cowan's movements.

In all, this recital confirmed the quality of the new Schantz organ, and established the Reformed Church in Poughkeepsie as a highly valuable venue for future events.

## Pipe Organ for Avery Fisher Hall?

A recent article in the New York Times (“Philharmonic to Give Home a New Interior” by Robin Pogrebin, May 20, 2004) mentions the possibility of adding a pipe organ to Avery Fisher Hall as part of a major renovation which could begin in 2009.

“Last June, Mr. [Zarin] Mehta [executive director of the Philharmonic] said in an interview that he hoped to earmark \$3 million to \$4 million for a new pipe organ when Avery Fisher Hall was rebuilt or renovated. Reynold Levy, the president of Lincoln Center, said the possibility of an organ had yet to be resolved, along with many other issues.”

The article cites the successful opening of Frank Gehry's Walt Disney Concert Hall, home to the Los Angeles Philharmonic, in October. Let's keep our fingers crossed!

Organ Recital in Honor of the late Donald M. Pearson

**Merellyn Gallagher**, Organist

Don Pearson was a Professor of Music and College Organist at Vassar from January 1946 to 1982. Mr. Pearson drew up the specifications for the 1967 Gress-Miles organ in the Vassar College Chapel, and for the Recital Hall organ (now in the Old Cadet Chapel at West Point). He was also conductor of the Vassar College Choir for 18 years. His wife, Kathleen Funk Pearson ("Kay"), also a fine organist, taught many local students and served at Christ Episcopal Church and First Presbyterian churches in Poughkeepsie. Both Don and Kay were founding members of the Central Hudson Valley Chapter of AGO and served as Deans. In 1988 they moved to Florida, where he died on February 11, 2004. Kay Pearson will be attending this recital, which is open to the public.

The recital will include works by Bach and Franck. It will be played on the 1967 Gress-Miles organ in the Vassar College Chapel, which is currently being refurbished by Foley-Baker Inc. This work includes new solid-state circuitry and a new blower. The funding for this was provided by Elise Rosenberry Donohue, class of 1959, in honor of her mother, Sarah-Maud Weyerhaeuser Sivertsen, class of 1930. Info: 845-677-9896 or 845-437-7329
